## Configuration:

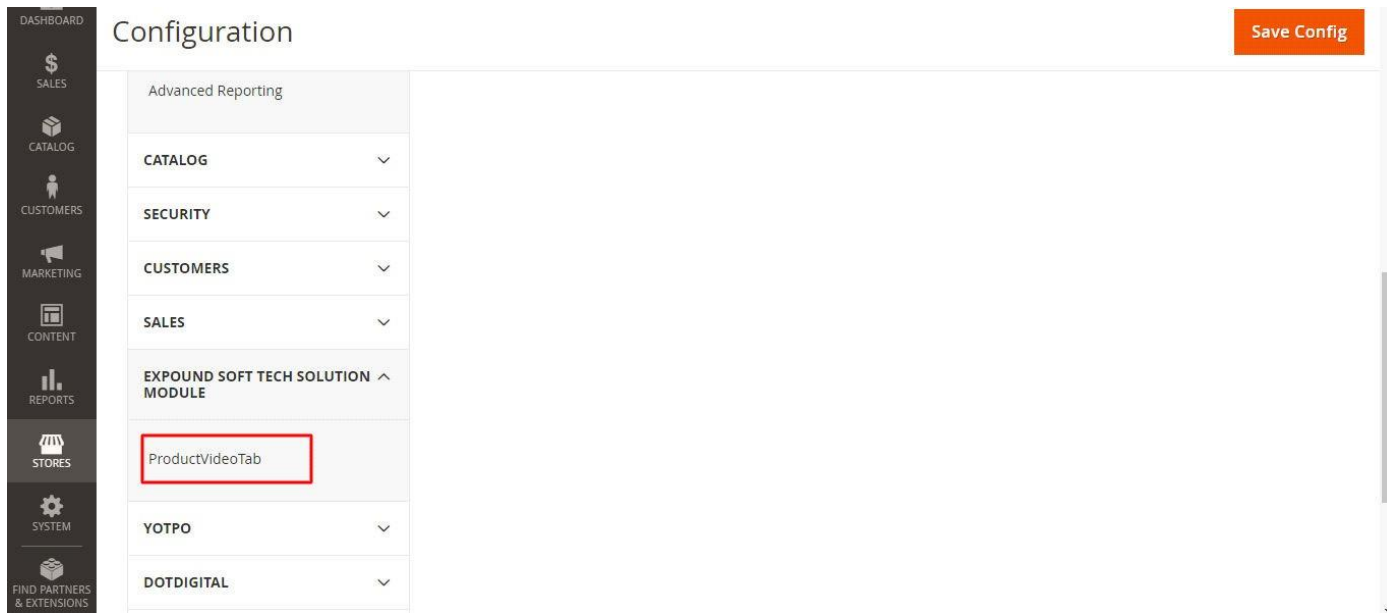

**Step 1:** Login to Magento admin and you will see the "black vertical block" which is present on left side of admin.

Go to admin -> stores -> configuration

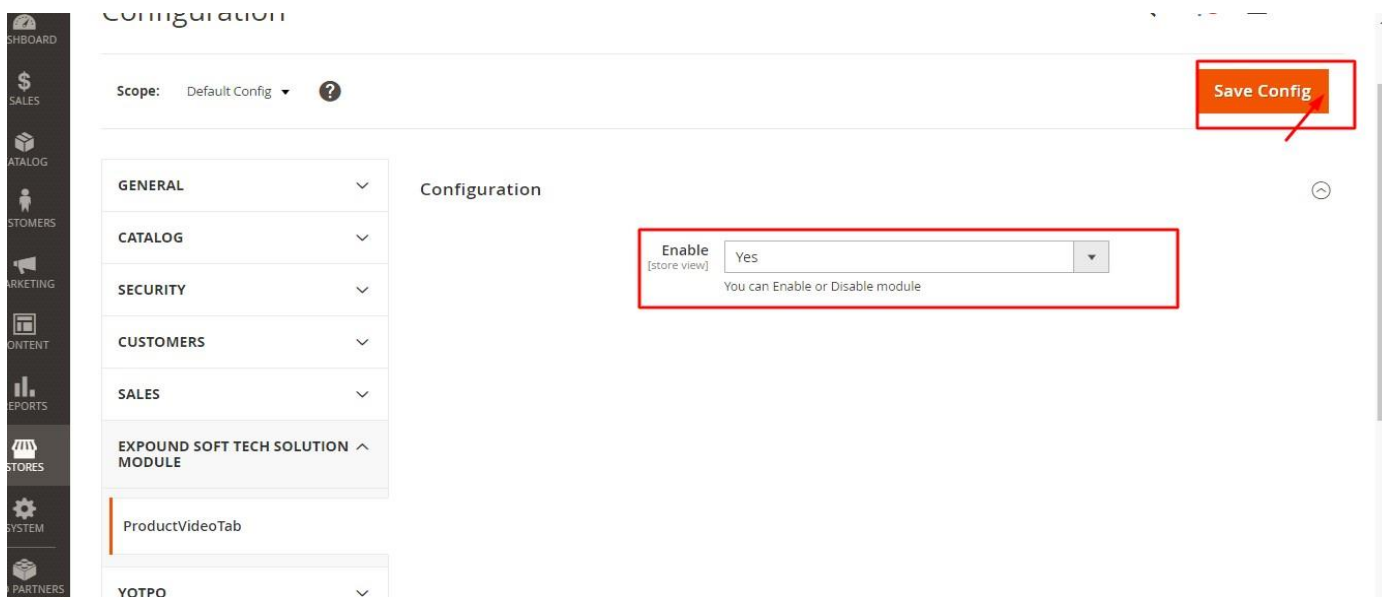

**Step: 2:** Now click on EXPOUND SOFT TECH SOLUTION MODULE where we will find ProductVideoTab module.

## Product Video Tab Extension For Magento

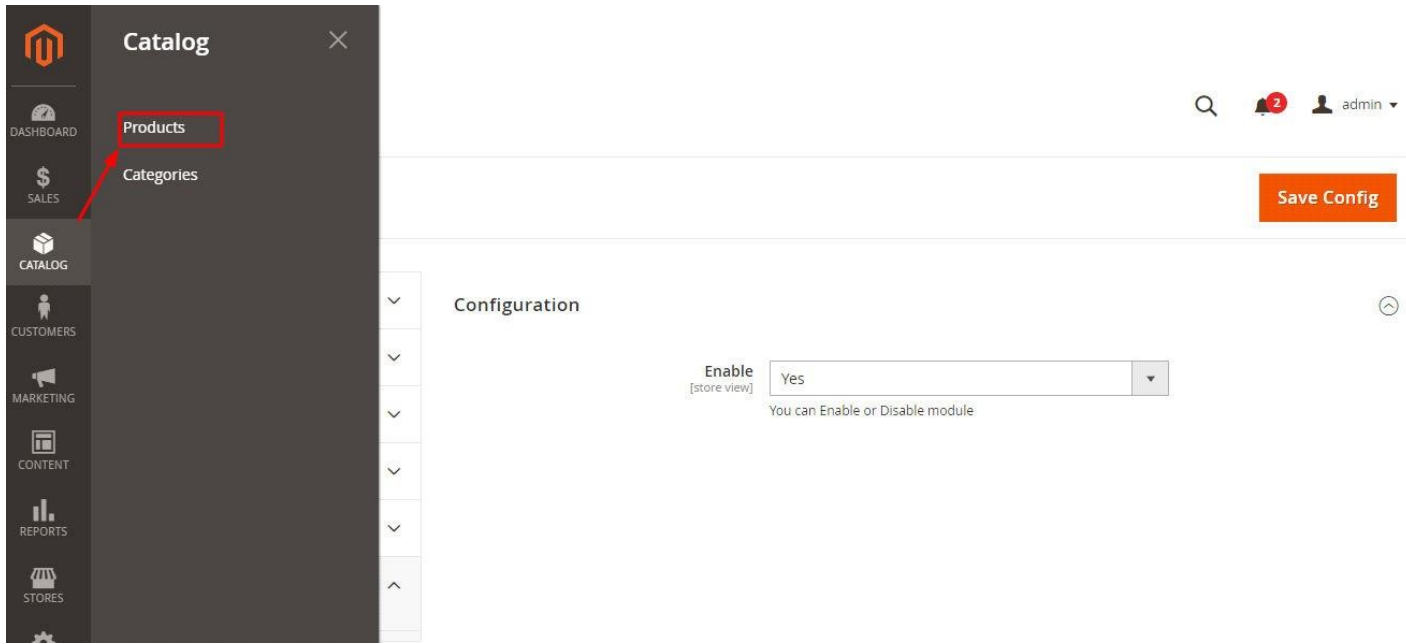

**Step: 3:** Now It's time to configure our extension by clicking on ProductVideoTab module and selecting yes or no for enabling or disabling module then save the configuration .

**Step: 3:** Go to CATALOG => Products.

# Product Video Tab Extension For Magento

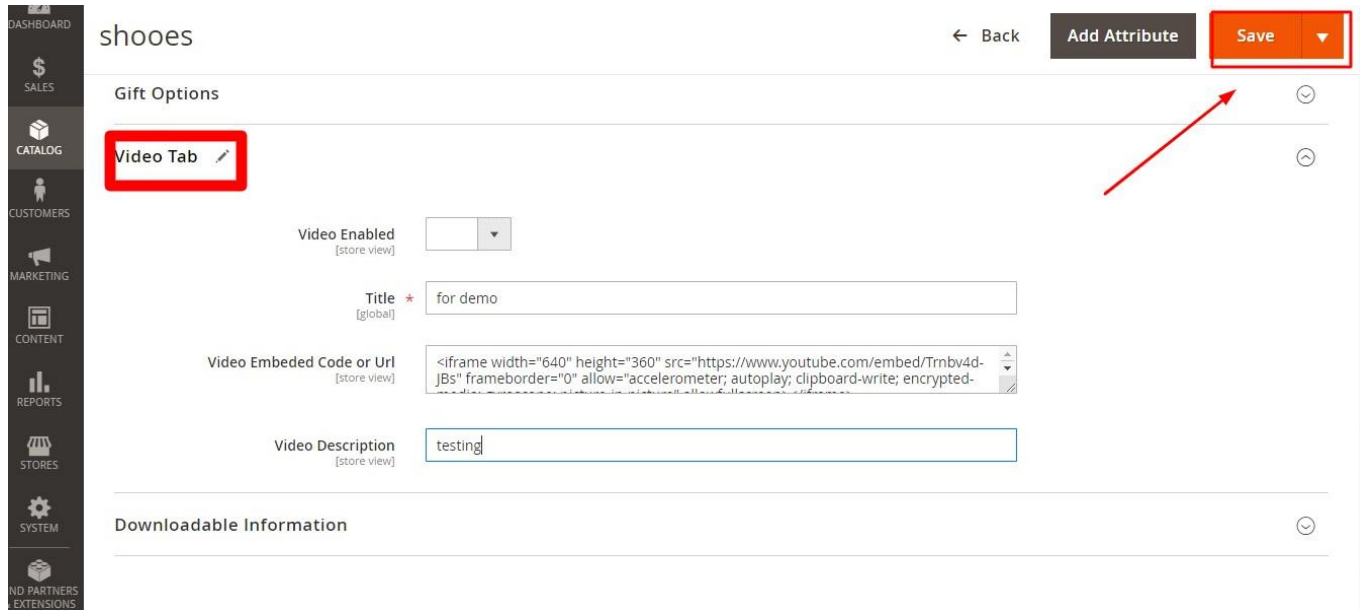

The screenshot shows the Magento Admin interface. On the left is a dark sidebar with navigation icons and labels: DASHBOARD, SALES, CATALOG, CUSTOMERS, MARKETING, CONTENT, REPORTS, and STORES. The 'CATALOG' section is expanded, showing 'Products' and 'Categories' sub-items. A red box highlights the 'Products' item, with a red arrow pointing to it. The main content area is titled 'Catalog' and contains a 'Configuration' section. In the top right of the main area, there is a search icon, a notification bell with '2', and a user profile 'admin'. A prominent orange 'Save Config' button is located in the top right. The 'Configuration' section has a dropdown menu set to 'Yes' with the label 'Enable [store view]'. Below this, a note reads 'You can Enable or Disable module'.

## Product Video Tab Extension For Magento

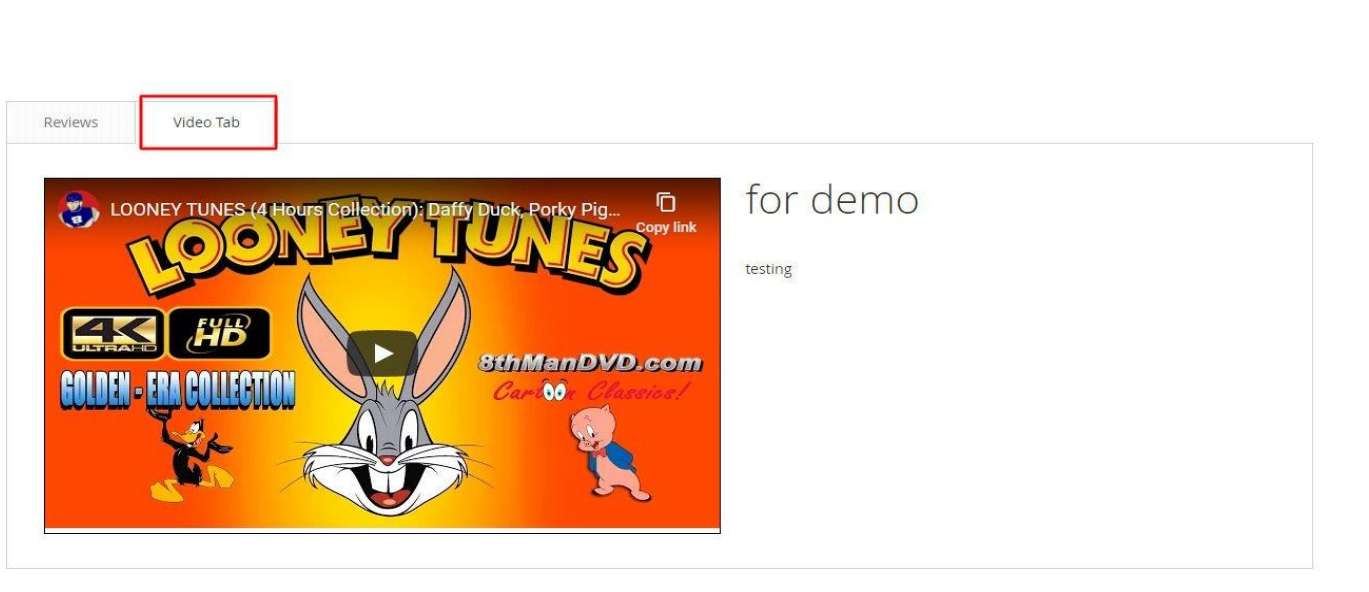

Click on Products ,we will find the list of products . Now select the product for which you want to add video .

**Step: 4:** We will find Video Tab here. Click on Video Tab and fill the details about video such as video title ,video url (you can add here embeded code or url of video) and video description then click on save button.

### Front View:

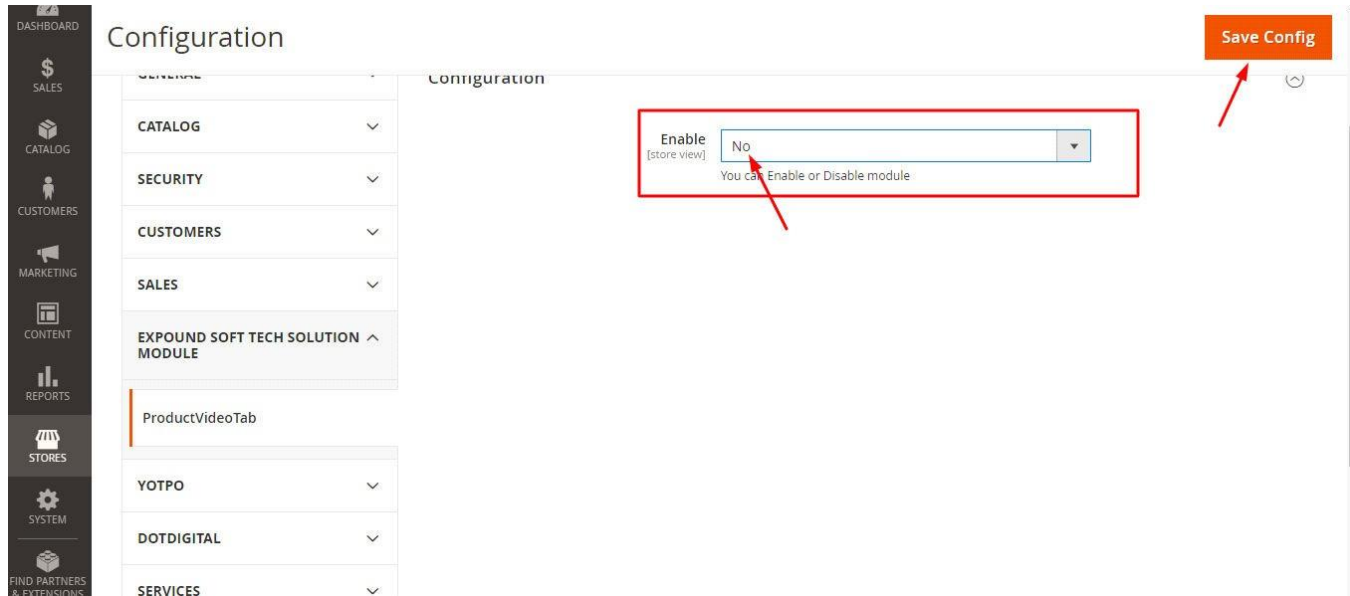

When we'll go on the "view page" or "product page" , then we can see the video detail in video tab.

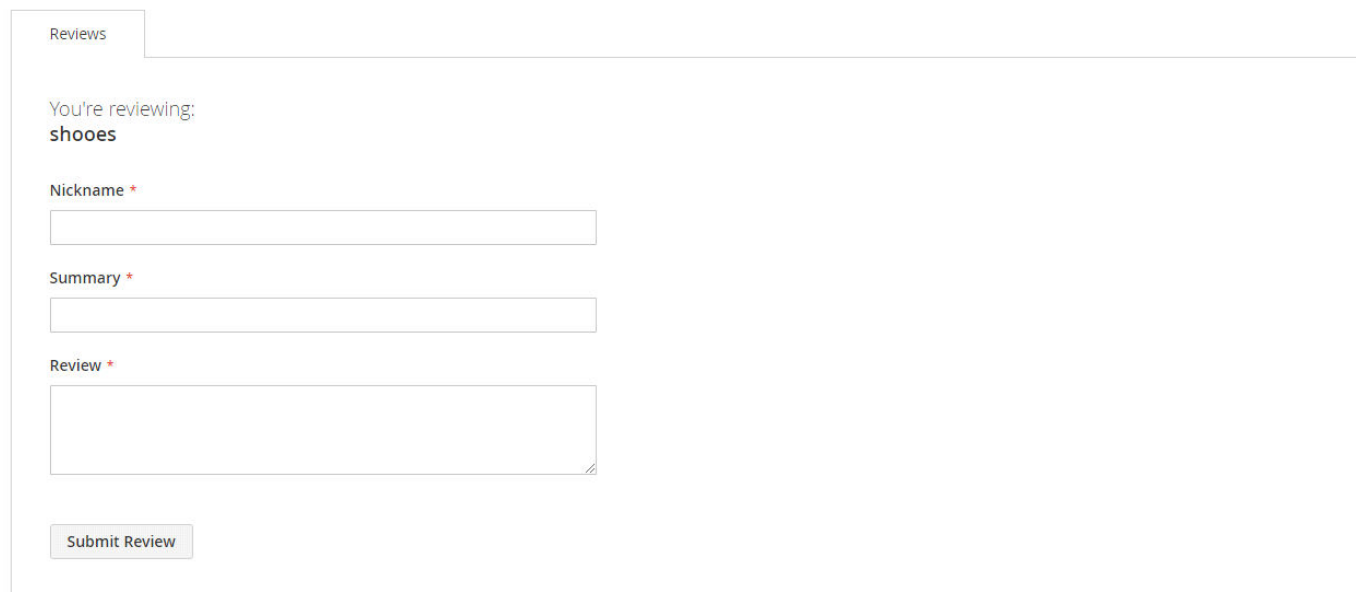

# Product Video Tab Extension For Magento

If you want to disable the VideoProductTab extension then you will have to go to configuration and select no option .

When we go to "view page" or "product page" ,we will find that video tab is hide .
