WishlistItemStockNotification for

Introduction:

If Magento administrators want to notify customers about products they've added to their wishlists, Ests has developed an extension called **Wishlist Item Stock Notification**.

This extension automatically sends email notifications to customers when a product in their wishlist goes **out of stock** or becomes **available again (in stock)**. It helps keep customers informed and encourages them to complete their purchases as soon as the product is restocked.

Back office options:

- ✓ Magento gives the Back end option to enable or disable the extension.
- ✓ Admin can set Email Subject .
- ✓ Admin can set Email Address
- ✓ Admin can set Wish list Notification Email Template .
- ✓ Admin can set Yes Enable Send In Stock , Out of Stock Email To Customer.
- ✓ Admin can set Message Wish List In Stock Product Message.

7. When Product Is 'Out Of Stock'..

The screenshot shows a product management interface for a product named 'Book'. The 'Stock Status' dropdown menu is set to 'Out of Stock', which is highlighted by a red arrow. Other visible fields include Price (\$ 200.00), Tax Class (Taxable Goods), Quantity (0), Weight (2 lbs), and Age Verification (Yes). The interface also includes a sidebar with navigation options like Dashboard, Sales, Catalog, Customers, Marketing, Content, Reports, Stores, System, and Find Partners & Extensions. Buttons for 'Back', 'Add Attribute', and 'Save' are visible at the top right.
